'Defender' Water Proof Safety Boot with Ankle Protection S3 CI SRC

- Extremely lightweight and completely metal-free safety boot with reflective strips for increased visibility. Provides the comfort and durability needed for all-day wear.
- Dual density PU sole with anti-static and anti-slip outsole
- Anti Torsion Sole Insert for Improved Stability
- Waterproof membrane lining with good perspiration and abrasion resistance
- Soft lined and padded tongue
- Composite toe cap and flexible midsole protection
- Removable double component insole
- Reinforced heel area
- Ankle Protection
- CI insulated surface against cold to -17°C
- Complies with EN 12568:2011 and EN ISO 20345: 2012 S3 SRC HRO

Care advice: to enhance the life and performance of the footwear, upper should be kept clean and dry. Dry/damp cloth or shoe polish/spray to be used as per need. Sole to be checked and cleaned regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
